MORALES

Ricardo "Monkey" Morales Navarette, who for two decades led a life of terrorist double-dealings and espionage, was shot during a bar argument and was listed in critical condition Tuesday, police said.

* * * * *

During his two-decade involvement with a variety of causes, Morales had been an intelligence officer for the Cuban government, chief of counter-espionage for the Venezuelan secret police, an anti-communist mercenary in the Belgian Congo, and an informant for the FBI, CIA and Drug Enforcement Administration.
